## Shingles by CertainTeed

*LUXURY, PERFORMANCE, AND PEACE  
OF MIND—DESIGNED TO LOOK  
AMAZING AND LAST FOR DECADES.*

### Executive-Level Style That Stands Out

- The **Presidential Series** was the first luxury asphalt shingle made to look like hand-split cedar shakes. With a bold, rustic texture and deep shadow lines, these shingles create a sophisticated and timeless look that instantly boosts your home's curb appeal.

**an choose between two premium options:**

### Presidential Shake

- The original classic, with dual-layer durability and a rich cedar shake appearance.

### Presidential Shake TL (Triple-Laminate)

- The industry's thickest, toughest luxury shingle, with three layers of protection and extra dimension for added beauty and strength.

### BUILT FOR EXTREME WEATHER

**Both Presidential options are made with high-performance asphalt and tested for:**

- 🌬 High wind resistance (up to 130 mph with proper installation)
- 💪 Tear resistance and long-term durability
- ☁️ Protection against wind-driven rain
- ❄️ Cold weather flexibility and impact resistance

## Say Goodbye to Ugly Roof Stains

**Those black streaks you see on other roofs?**

- That's algae
- Presidential shingles come with StreakFighter Technology, which uses copper infused granules to resist algae growth and keep your roof looking great for years.

### **SureStart Warranty = Peace of Mind**

Every CertainTeed roof comes with the industry leading SureStart Warranty:

- 100% coverage of materials AND labor for any manufacturing defects during the early years.
- Lifetime limited warranty for long-term protection.
- 15-year algae resistance warranty with StreakFighter.
- Wind resistance warranty up to 130 mph (with required components).

If you're looking for a roof that turns heads *and* stands the test of time

**The Presidential Series delivers no compromises, just confidence.**
